

Chapter 2 Homework

- **Choose 5 of the 18 *Programming Challenges* on Pp. 81-84.**
- **Enter your fully documented code into either codepad.org, or IDEOne.com.**
- **For each of the 5 programs, Tweet the URL to @CarlArgila #CSC5.**
- **Turn in printed copy of the assignment on the due date.**
- **Be prepared to present your code before the class.**
