

Chapter 3 Homework

- Choose 5 random *Programming Challenges* on Pp. 143-148. At least two must be from Pp. 146-148.
- Enter your fully documented code into ideone.com.
- For each of the 5 programs, Tweet the URL to @CarlArgila
- Turn in printed copy of the assignment on the due date.
- Be prepared to present your code before the class.
