Chapter 2 Homework

- Choose 5 of the 18 *Programming Challenges* on Pp. 81-84.

- Enter your <u>fully documented</u> code into either codepad.org, or IDEOne.com.

- For each of the 5 programs, Tweet the URL to <u>@CarlArgila</u> #CSC5.

- Turn in printed copy of the assignment on the due date.

- Be prepared to present your code before the class.
